

CAMPUS OUTREACH  
SOUTH AFRICA

## 2021 SUMMARY

When we look back on **2021** we are amazed at how gracious God has been to us at Campus Outreach!

2020 was a wild year for us in light of the pandemic and 2021 has been a year of learning to do ministry in creative ways! This has involved a lot more online ministry during the waves and unique in-person gatherings in between the waves. We are so thankful that we were able to have two conferences this year with over 60 students at each one. We are so encouraged by how the Lord has worked in and through us as a ministry. This year we have reached over 300 students across all three campuses. There are 35 students that are being discipled, we are so encouraged by these students and their growth! This year God has also added to our number and there have been 4 new professions of faith.

We have also had some exciting staff movements; during 2021 we had 2 South African interns and 3 American interns through the CO LEAD program. Next year we will be adding 4 more SA interns and 3 more LEAD interns to our staff team. We are looking forward to a vibrant team of 26 staff members as of January 2022. We are excited to see what God will continue to do through us as a ministry!

# THANK YOU!

A huge thank you for your partnership in the gospel, both financially and prayerfully!

We could not have pulled off this year without you!

As many of you may know, my parents are currently on a plane to South Africa to visit me for the next 10 days! I am so so grateful they were able to make the trip and look forward to showing them my life here in South Africa. Please pray for a safe and fun trip :)

### Prayer Requests - Join me in Prayer!

Here are a few additional ways you can continue praying for us through the holiday season.

1. **Holiday Break** - Please pray for our students as they are on their holiday break. Pray they would continue to seek God, fellowship with other believers, and love and serve their families well. Pray that they would have opportunities to share the Gospel with any unbelieving family members and that some might even come to faith in Christ over the holiday break.
2. **Funding** - Please pray the Lord would give us favour and provide financially for our organisation as we seek to ensure that our staff and

campus ministries are fully funded for the upcoming year. Specifically, please pray the Lord would raise \$10,000 for the 2022 ministry year.

3. **Opportunities:** Please pray for more opportunities to share the Gospel - specifically with my CrossFit friends Jancke and Maryke. They have become dear to me but their lives lack true fulfilment. Pray God would move in their hearts and that they would repent and believe.

As always, thank you for your encouragement and support. What a privilege it is to have such a great team to labor alongside. I am so grateful to share this news with each of you! Through your generosity and prayers, the faith of young men and women is making an impact for eternity!

**Laboring alongside you,**  
Allison
